

**EXPERIENCE DEMENTIA.**

**BUILD UNDERSTANDING.**

**STRENGTHEN SUPPORT.**

**Ohio Living**

Home Health & Hospice

*Community Enrichment Services*

**You're invited to a FREE training that combines the Dementia Live® simulation and practical education into one comprehensive experience!**

**Dementia Live®** is an interactive, hands-on simulation that offers participants a glimpse into what it may feel like to live with dementia. This guided experience, led by Ohio Living Home Health & Hospice Community Enrichment Services, builds empathy and understanding of the cognitive, physical, and emotional challenges individuals with memory impairment may face – and how we can respond with compassion.

**You will:**

- Participate in a brief, safe dementia simulation
- Increase empathy and awareness
- Learn practical communication and care strategies

**Sessions available at Thrive 10:10 at Girard First United Methodist Church on July 8.  
Contact 330.367.7117 or [thrive1010mv@gmail.com](mailto:thrive1010mv@gmail.com) to schedule your session.**
